PART B- SCOPE OF WORK

1. To carry out audit of total electrical installation at the Branches/offices/ATM sites and submit comprehensive report with suggested corrective measures to be taken.
2. To check the adequacy of the sanctioned load vis-a-vis the connected load. The load calculation of the premises to be submitted as per Annexure-B
3. All electric installations (e.g. HVAC, AC, lifts, DG Set, UPS, Electric panel, transformer, Wiring Panel Board etc. of branches/ offices/ ATMs will fall under the scope of work.
4. Physical inspection of the branches/ offices/ ATMs with reference to applicable Indian Standards, Indian Electricity rules and Other relevant codes of practice to identify the electrical hazards and leakage etc. therein.
5. Review & testing of all Protective device/system (MCCB/ MCB/ELCB/ Fuses etc.) of all electrical installations.
6. Review & testing of adequacy of wires & cable based on actual load/current measurements and cable carrying capacities. Insulation resistance Test and Earthing leakage testing to be Done. To check for any loose connection at main switches, Distribution Boards, Switch Boards, Panels etc.
7. Examination and testing adequacy of lightning protection systems as per national standards.
8. Checking of all pumps, connector, compressor units for reducing load factor in air conditioning systems/ HVAC system. Checking of operation of ACs and timer arrangements
9. Performance & testing of filtration coil etc. and electrical distribution panel of ACs.
10. Evaluation of electric preventive maintenance (EPM) program in the buildings to examine documentation, checklists, etc and if EPM is not in place or inadequate to recommend and design EPM as per applicable standards.
11. Training/guiding the electricians hired by the Bank from the point of electrical safety.
12. Testing /auditing to be done properly as per standard practices.
13. Evaluation of UPS/inverter and battery system for bulging, leakage, corroded terminals etc.. Calculation and checking of existing load on each UPS under ON & OFF position for normal operation, evaluation of battery backup, voltage, current and AH of all batteries and earthing of battery rack.
14. To check pantry for safe use of electric heaters.
15. Thermography/temperature detection and report submission (with images) to be done mandatorily for hot spot detection in electrical distribution system, electric panel, equipments, etc.
16. Earthing system (electrical/electronic/body/panel) to be checked and tested properly for Earth resistance, Earth fault loop impedance, etc for all equipments. Status and appropriateness of electrical insulation mats, wherever applicable and whether they need replacement.

Signature of tenderer with seal

17. To check if appropriate type of fire extinguishers are kept in electrical room and whether electrical room has fire detectors installed. If any water based fire extinguisher system is installed in electrical room, it has to be brought to the attention of bank authorities. To ensure provision of critical security systems (Fire alarm and detection system & CCTV) on UPS wiring.
18. To check appropriateness of weather proof rating of electrical equipments/connections placed outdoors.
19. The scope includes arranging all required tools and equipments by the contractor, measuring instruments, data loggers, wires & cables and technicians/electricians required for completing the scope of work. It also includes work instructions from bank, visiting site, preparing sketch, designs, drawings etc. which shall be in accordance with local governing rules/ standards, regulations etc. and preparing reports on the same so as to enable the bank to rectify
20. Specific recommendations/suggestions for ensuring electrical safety, conservation of energy in current setup and other future energy saving measures.
21. The electrical installation under purview of electrical safety audit will include all electrical equipments/installations from the point of supply from the local body to the respective incoming electric distribution
22. Thorough inspection & review of the Earthing system. Measuring the value of Earth resistance and to evaluate the Earthing system (installation and maintenance) based on the latest ISI standards and to suggest recommendations for rectification works.
23. Thorough inspection & review of DG set, UPS & batteries, etc. for its adequacy in the capacity based on the present Electrical load requirement of the Office / Branch.
24. Thorough inspection & review of air-conditioners for its adequacy in the capacity based on the present heat load requirement of the Office / Branch.
25. Recording the parameters of monthly Electricity bills and analyzing the Load demand, Sanctioned Load, Additional Load requirement, Power factor, etc.

Signature of tenderer with seal

PART C- METHODOLOGY

1. The electrical auditor shall carry out the audit in accordance with the prescribed technical format as per annexure A
2. If the electric shut down is required in the branch/office for conducting electric audit, the same will be done with due permission from the concerned authorities by the branch at the date and time convenient, keeping in view the Branch operations and the auditor will have to complete the job within the schedule time. No extra payment/ charge will be entertained by the bank.
3. The company/Firm/Auditor shall be responsible for all injuries to their workmen, if any at the site and damages, if any which may arise from the operations during the audit process due to the conditions within or beyond so ever and consequent compensation arising out of it.
4. The Bank will have the right to call electrical auditor once or more at controlling office/ Zonal office/ Branch during electrical rectification work for branches/offices. In addition to mentioning the observations, the company/ firm/ auditor will also submit consolidated summary of the proposed rectification work required to be carried out in a branch/ office.
5. If electric audit work done by the company/ Firm/ Auditor is not found satisfactory by the Bank or the work is not completed in the specified time, the bank will have right to terminate the service/ work contract without any advance notice at any point of time.
6. Auditor/Company/firm will prepare and provide SLD (systematic line diagram) of electrical system of the Branch and it will be attached in a separate sheet with their audit report.
7. Auditor/Company/firm will provide technical specification and rating for wire and electrical equipment as per his recommendations for replacement suggestion, if any in separate sheet for each branch/office.
8. Thermography photos of all electrical panels/ wires must be conducted by the auditor and the thermography report should be enclosed with the Final Audit Report.

Signature of tenderer with seal

PART – D : ELIGIBILITY CRITERIA

1) For ELECTRICAL AUDITORS & Electrical Consultant/ Firm

No.	Category	Minimum Pre-qualification Criteria	Documents to be submitted	Document Enclosed
	Electrical Auditors	a) Electrical Auditors should have Graduation/ Degree/ diploma/ any equivalent govt recognized course in electrical emergency with 05 years of experience in Electrical installation and safety related work ‘or’ b) Electrical Auditors should have supervising license from concerned licensing authority of the state or central Government, with minimum 05 years' experience in Electrical installation and safety related work ‘or’ Retired Electrical Engineer from PSUs, Central & state Government Departments as Electrical Engineers who have dealt with electrical installations and safety related work and not banned from re-employment. c) Electrical Auditors should have Valid PAN and GST Number d) Electrical Auditor should have an established Office in Andhra Pradesh or Telangana <u>* For all the above, age should be less than 65 years.</u>	i. Copy of the Graduation pass certificate duly attested by Gazette Officer. ii. Copy of work completion certificate & work order. iii. Copy of supervising license from concerned authority (State/Centre) iv. Proof of past employment in case of retired electrical engineer v. Proof of Age vi. Copy of the Office address proof. vii. Copy of PAN and GST Certificate	YES/ NO

Signature of tenderer with seal

B.	Electrical Consultant/ Firm	a) Should have an average annual turnover of not less than Rs 10.00 lakh during the past 3 years, ending 31st March of previous Financial Year for electrical installations and safety related consultancy and advisory services and not from sale of electrical equipment, verifiable from audited Balance Sheet, CA certificates, to this effect may be submitted with the Balance Sheet. b) Should have been in Electrical Engineering/ Consultancy business for minimum 3 years c) Electrical Consultant / Firm should have an established Office in Andhra Pradesh or Telangana only. * Electrical auditors detailed by the firm for Audit should have the qualifications mentioned at qualification for Electrical auditors. The Firm should submit a certificate to this effect.	i. Certificate of incorporation ii. Copy of completion certificate & work order of the completed works iii. The firm should give a certificate regarding the qualification of the auditors detailed by them, on their letter pad with Copy of the Graduation pass certificate duly attested by Officer. iv. Copy of the Office address proof. v. Copy of PAN and GST Certificate	
C.	Undertaking/ Certificate in respect of Blacklist/ not including in negative list/termination of contract	An undertaking/Certificate that tenderer should not be Blacklisted or including in negative list or terminated of contract in the past by any scheduled Bank / PSU / Corporate body / Govt. body.	Undertaking / Certificate	

Signature of tenderer with seal

2) TECHNICAL EVALUATION CRITERIA

The Evaluation Committee (EC) shall carry out the entire evaluation process.

The Technical proposal evaluation process would focus on the ability of Electric Auditor/firm to satisfy the technical requirements of the assignment, quality assurance procedures and experience of Interior Furnishing works. Based upon the above pre-qualification criteria, the technical proposals will be further evaluated on the following criteria and rating will be provided as below.

No.	DESCRIPTION	RATING
1	Experience in Electric Audit works	
	-do- Minimum 5 Years	5
	-do- 5 Years and above	10
2	Experience in Electric Audit works for Bank branches (applicable for both Government and Private Banks)	
	-do- Up to 3 Banks	5
	-do- More than 3 Banks	10
3	Average annual financial turnover during last 3 years ending last 31 march	
	-do- at least 10 Lakhs in the respective category	5
	-do- above 10 Lakhs in the respective category	10
4	Empanelment with other Public Sector Banks for Electric Audit works.	
	-do- Up to 3 Banks	5
	-do- More than 3 Banks	10
5	Marking based on Evaluation of the satisfactory certificates provided by other Clients of the Electric Audit. For this the latest/last completed project will be taken into consideration.	
i)	Is Outstanding	10
ii)	Is good	5
iii)	Is Poor	0
	TOTAL SCORE	50

03) EVALUATION CRITERIA

Only the Electrical auditor/firm who score more than 35 (Thirty Five) marks in Technical Evaluation process will qualify to be Empanelled with the Bank. Once the evaluation of technical proposals is completed, the Service Providers who score more than the prescribed cut-off score will only be short listed. **In case, none of the participants or only two of the participating Service Providers qualify on technical criteria and reach or exceed the cut-off score of 35, then the Bank, at its sole discretion, may qualify three Electrical Auditors on the basis of the top 3 scores.**

The technically short listed Electrical auditor/firm will have to match rate fixed by the Bank and payments will be made accordingly.

Signature of tenderer with seal

PART – E : FIXED RATES AS PER BANK’S POLICY ACCORDING TO BRANCH CATEGORY

S.NO.	BRANCH/DEPARTMENT/OFFICE CATEGORY	FIXED RATES TO BE PAYABLE
1	Branch/Department/Office with Electrical Load upto 7.5 KW (Under sanctioned load).	RS 5000/- + GST (if applicable)
2	Branch/Department/Office with Electrical Load above 7.5 KW to 15KW (Under sanctioned load)	RS 10000/- + GST (if applicable)
3	Branch/Department/Office with Electrical Load Above 15KW to 50 KW. (Under sanctioned load)	RS 15000/- + GST (if applicable)
4	Above 50KW	RS 25000/- + GST (if applicable)

APPLICATION FORM

1. Name of the Firm :
2. Address :
3. Telephone Nos., Fax No. including
Mobile of contact person :
4. Email :
5. Constitution of the Firm :
6. Year of Establishment :
7. Name & Details of Partners / Associates :
8. Details of Partners / Associates :
9. Details of GST registration
(Copy of valid registration to be enclosed) :
10. Name and value of Electrical Audit
completed during the last 3 years ending on
31st Mar 2021. : Details may be given in
enclosed format (Annexure)
11. Registration Number with Council of Consultant / Indian Institute of Architects :
(Copy of valid registration to be enclosed)
12. Details of Electrical Auditors engaged :

Name	Educational Qualification	Contact details	Detail of present & previous Experiences

Signature of tenderer with seal

13. Details of other technical personnel employed :

Name	Educational Qualification	Contact details	Detail of present & previous Experiences

14. List of consultants engaged by the Firm :
(Address, telephone numbers and email ID etc. are to be furnished)

15. Banker's Name & details :

16. List of registration or empanelment with other Govt. / PSU Organization :

Note: Please enclose separate sheets for additional information, photographs, and documents.

Signature & Seal of the Electrical Auditors / Consultants / Firms with Seal

Date :
Place :

PART G - INSTRUCTIONS TO THE APPLICANTS

1. Scope of Empanelment :Sealed applications are invited for

EMPANELMENT OF ELECTRICAL AUDITORS / CONSULTANTS / FIRMS FOR ELECTRICAL SAFETY AUDIT (ESA) OF OFFICES / BRANCHES FALLING UNDER REGIONAL OFFICE VIJAYAWADA. Site & location: The proposed Electrical Audit is to be carried out in the Branches, Regional Office, other premises falling under Regional Office Vijayawada.

2. Empanelment Period - The empanelment shall be valid for Three (3) years from the date of empanelment. However **Bank reserves its right to early termination of empanelment of all the applications/any without assigning any reasons whatsoever.**

Those persons so deputed will sign in the Register for arrival and departure at the site.
33. The Auditor/Consultant/Firm undertakes, accepts and admits absolute and complete responsibility for the service conditions, claims, damages and other compensations of the personnel enrolled by them and will be liable for and unequivocally assume responsibility for due compliance with all the requirements of all statutory obligations, duties and liabilities (including insurance) and to pay all such claims, costs, damages, expenses, fines, penalties and compensation which may arise out of any claim, suit or prosecution for contravention thereof. The contractor shall indemnify and keep the Bank indemnified from and against all such claims, demands, costs, charges, fines or penalties and compensations etc if any as aforesaid.
34. The Auditor/Consultant/Firm shall obtain adequate Insurance Policy in respect of his workmen engaged for the service towards meeting the Liability of Compensation arising out of death, injury / disablement at work etc and shall regularly and punctually pay each and every premium as and when the same shall become due during the currency of these presents.

Signature of tenderer with seal

35. All security and safety regulations and guidelines as per the applicable law are to be followed. All guidelines/directions of Bank's Security Division must be followed.
36. **Force Majeure** - Neither party shall be liable for delay in performing obligations if the delay or failure is due to any of the following force majeure i.e. Act of God or any Government Act, fire, earthquake, explosion, strikes/ Bandh, civil commotion or anything beyond the control of either party. The party shall use all reasonable endeavors to minimize any such delay.
37. **Local Laws, Acts, Regulations** - The contractor shall strictly adhere to all prevailing labour laws inclusive of contract labour (Regulation and Abolition Act of 1970) and other safety regulations. The contractor shall comply with the provision of all labour legislations including the latest requirements of all the Acts, laws, any other regulations that are applicable to the execution of the project.
- a) Minimum Wages Act, 1948 (Amended)
 - b) Payment of Wages Act 1936 (Amended)
 - c) Workmen's Compensation Act 1923 (Amended)
 - d) Contract Labour Regulation and Abolition Act 1970 and Central Rules 1971 (Amended) e) Apprentice Act 1961 (Amended)
 - f) Industrial Employment (Standing Order) Act 1946 (Amended)
 - g) Personal Injuries (Compensation Insurance) Act 1963 and any other modifications
 - h) Employees' Provident Fund and Miscellaneous Provisions Act 1952 and amendment thereof
 - i) Any other applicable law in force.
38. **Applicable Law** - The Contract shall be interpreted in accordance with the laws of the Union of India and shall be subject to the exclusive jurisdiction of courts at Delhi.

Signature of tenderer with seal

ELECTRICAL AUDIT REPORT

Annexure A

Format for Electrical Audit of Branches / Offices (To be filled by Electrical Auditor only)

1.1 General Information -

Branch/ Controlling

offices :

Zone :

SrNo	Details	
01	Type of Branch/Office (Metro / Urban	
02	Floor:- Area of Premises:-	
03	Name of the designated branch/Zonal Security Officer with contact No.	
04	Name of the Electrical Auditor & Contact No.	
05	Last Electrical Audit date & Risk rating	

1.2 Electric Supply Detail

Sl.No	Electric Supply Company / Department	Sanctioned Load	Maximum Load (in the last one year)	Average Load (In the last one year)	Any Penalty (In the last one year)

1.3 Details of Electrical Equipments

Sl.No	Equipment	Make & Model	Quantity	Rating (Amp or KVA or Core * sq.mm or Watt)
01	UPS			
02	Batteries			
03	Miniature Circuit Breaker (MCB)			
04	MCCB (Molded Case Circuit Breaker)			
05	ELCB (Earth Leakage Circuit Breaker)			
06	RCCB (Residual Current Circuit Breaker)			

07	SFC / HRC Fuse			
08	Electric Wires a. 1.5 sq. mm b. 2.5 sq. mm c. 04 sq. mm d. 06 sq. mm			

1.4 UPS and Batteries

AMC Vendor & Expiry date	UPS Connection (Three phases / Single Phase)	Any overload in UPS (Yes / No), If yes, give reasons / details for overloading	Any battery by passed with UPS (Yes / No). If Yes, given reasons

Any chemical rust or loose connection on battery terminal / lug	Whether ventilation / cooling is provide in UPS room	Unwanted material kept inside UPS & battery room	Any Fuse / MCB / Switch

No. of batteries (more than 3 years old) & having capacity below 80 %	Last date of battery back up test on full load & have any deformity.

1.5 AC Units

AMC Vendor & Expiry date	Proper electric connection with compressor, contactor, relay and capacitor	Auto timer (Functional / Non Functional)	Adequate rating MCB / Fuse for AC units.

1.6 Diesel Generator

AMC Vendor & Expiry date	Date of last engine oil and filter replacement	All gauges like temperature Voltmeter, Ammeter, Wattage, KWH, Hour Meter etcare working properly	Any deformity, noise, leakage, fuel consumption rate, and spark in the exhaust system

1.7 Details of other electrical equipment

Sl. No.	Equipment	Quantity	Remarks, if any
01	Computers		
02	Printers		
03	Passbook printers		
04	Cash Counting Machine		
05	Split ACs / Window ACs		
06	Fans		
07	Router		
08	Fire Alarm and Burglaralarm		
09	CCTV		

(* Specifically mention electrical leakage, if any, in the system)

1.8 Electric Supply (Single / Three Phases) (Please tick)

R-Phase(R-N)	Y- Phase (Y-N)	B-Phase (B-N)

1.9 Electric Load Distribution (In Volt)

R-Phase(R-N)	Y- Phase (Y-N)	B-Phase (B-N)

2. Earthing System

Sl. No.	Separate Earthing for UPS and Raw Power (Yes / No)	Type of earthing (Chemical / Normal)	Earth Resistance (In Ohm)	Earth Pit Identified(Yes/No)

2.1 Heating of Wire /Panels

Sl. No.	Thermography of Electric wire and panel (Yes / No)	Locations / Spots thermographed	Details of heating equipment (Attach thermo graphy image and system generated report, if any)	Reason

2.2 Other electrical Risk

Sl. No.	Electrical Risk	Category (High /Medium / Low)	Reason and Recommendations for mitigation
01	Any hanging electrical wire / temporary connection, if any in the premises		
02	Any Multi Pin plug or extension cable / board use in premises		
03	Any dangling / loose electric connection or portion of live wire with damaged jacket / insulation		
04	Flammable combustible material dumped near electric panel		
05	Voltage Fluctuation		
06	Any MCB / Fuse etc, by pass from the electrical system		
07	Any other electrical risk		

2.3 ATM / E-lounge

No. of Kiosk	No. of AC Units	Auto timer for ACs available (Yes / No) & Auto time (Functional / Non functional)	UPS & Batteries (Working / Non Working)
Thermography of wire & panel(Attach report locations)	Any poor Fuse used in ATM/ E-lounge	Any Loose connection / multi pin plug etc in ATM /E- Lounge	Any other electrical observation /in ATM / E-lounge

2.4 Risk Rating

Overall electric risk category (High / Medium / Low)	Reason

2.5 Summary

Sl. No.	Observations	Rating (High / Medium /Low)	Recommendations (Specify details of electrical equipment / wire, replacement if any & rectification proposed/points to be attended.

(Signature with Seal of Electrical Auditor)

Mobile no.:

Electrical Audit– Rectification Certificate

Name of the Branch -
Name of the Zone -
Electrical Risk Classification - High/Medium/Low Electrical

Rectification on the basis of the audit report

- | | | |
|-----|---|---|
| 1. | Proper Load distribution in three phases | -Yes / No / NA |
| 2. | Rectification on thermography Report | -Yes / No / NA |
| 3. | Proper rated MCB / ELCB / RCB is provided | -Yes / No / NA |
| 4. | Proper earthing is provided | -Yes / No / NA |
| 5. | Replacement of poor electric wire | -Yes / No / NA |
| 6. | Rectification work for ATM / E-lounge | -Yes / No / NA |
| 7. | Rectification on clubbing of electric wire | -Yes / No / NA |
| 8. | Proper main electric panel box is provided | -Yes / No / NA |
| 9. | Proper electric switches for UPS, ACs, | -Yes / No / NA Etc, provided |
| 10. | Rectification on UPS system | -Yes / No / NA |
| 11. | Rectification on dumping of records in
etc | -Yes / No / NA UPS room / near electric panel |
| 12. | Any other electrical rectification work | -Yes / No / NA |
| 13. | Remarks, if any | |

Signature of the Electrical Auditor

Signature of BM/ZM/ HOD

Observations regarding Electrical Installation.**Electrical Load Analysis**

Sr. No.	Observations	Details
1	Total Sanctioned Load of the premises (As per the latest electricity bills) in KVA/KW	
2	Total Connected Load of the premises in KVA/KW (to be calculated floor wise as per load calculation sheet)	
3	Whether connected load / maximum demand is more than sanctioned load?	
4	If connected load is more than sanctioned load, has the office applied for revised sanction from Distribution Company / Electricity Board?	
5	Have any penalties been imposed for excessive load on the premises?	
6	Have any penalties been imposed for improper power factor on the premises? If yes, recommend suitable size of capacitor bank for the premises.	
7	If the premise has multiple electricity connections, identify the areas served by each meter.	
8	Incomer / cut-off rating for each meter connection and if they are adequate in terms of load consumption of the premises.	
9	Installed DG Set capacity (KVA / KW) for the premises and whether it is sufficient for the connected load.	
10	Connected load on generator as a percentage of total connected load.	
11	Electrical Load on UPS (Separate for each UPS)	
12	If connected load is less than sanctioned load, then recommendation for reduction of load.
